the zombie cookies. Soon the once great frufhfguev became nothing more than the husk of a man, banging his thoughtless mind against the gates of his prison far beneath the earth.

Everything seemed to be going well, until SALTWATER TAFFYTRON became pregnant.

Chapter 5 by intellikat

SALTWATER TAFFYTRON was ashamed and humiliated! She had become pregnant with HOT DOG JESUS, but he had turned out to be a narcissistic jerk and dumped her when she told him of the pregnancy.

SALTWATER TAFFYTRON was well educated, very pretty and over 100 meters tall. She weighed about a ga-jillion kilograms.

What hurt the most, she should have known better. She was blinded by HOT DOG JESUS' fancy clothes, Rolex watch, and Lexus SUV, not to mention his good looks and very charming moves, especially to get what he wanted, which in this case was into SALTWATER TAFFYTRON's gearbox.

On top of her own guilt and shame, her family was furious. They lived in a small city, where everyone pretty much knew everyone, so SALTWATER TAFFYTRON's expanding belly would be noted by many in town.

A solution was arranged. SALTWATER TAFFYTRON really did not want a child, however, strong religious and moral beliefs prevented any intervention in the pregnancy. One of SALTWATER TAFFYTRON's cousins desperately wanted children, but she could not conceive. The families arranged that SALTWATER TAFFYTRON's baby would be adopted at birth and raised within the extended family, where SALTWATER TAFFYTRON would be her "aunt".

SALTWATER TAFFYTRON would go and stay with her maternal grandmother, whom she got along with fairly well but she did have a reputation for being old fashioned and strict. Her grandmother was also obese and made no secret that she loved to eat.

SALTWATER TAFFYTRON arrived at her grandmother's house one day afternoon. She paid the cab and went up the front steps and knocked. She was not feeling her second trimester so she just starting to get a belly.

"Grandma I'm here!" called SALTWATER TAFFYTRON, in a metallic voice. She was dreading this, she knew that grandma would be very disappointed in her. But this was the best solution for everyone or so she thought.

"Come in SALTWATER TAFFYTRON," replied grandma. SALTWATER TAFFYTRON thought, "Well she doesn't sound too angry with me."

Grandma waddled into the foyer. SALTWATER TAFFYTRON was surprised, that she had gained quite a bit more weight since she had last seen her last thanksgiving. Grandma was definitely shorter than SALTWATER TAFFYTRON but weighed nearly eighty kilograms more than her.

"SALTWATER TAFFYTRON dear, I am so disappointed in you! My god child what were you thinking, getting yourself pregnant! I am not going to let you forget how upset the whole family is with you.!" She scolded.

SALTWATER TAFFYTRON felt about two feet high and like a little bot again. "Yes grandma." She muttered.

"SALTWATER TAFFYTRON, I don't want you leaving the house or yard, while you are here. I also need to feed you. I can't believe you are with child and so skinny! Just shameful, you need to be eating for two, not worrying about your figure! You are acting like a little hussie!"

SALTWATER TAFFYTRON now tearing up, sobbed "yes grandma."

"Now go upstairs and get out of your metal clothes. I want you to wear just your panties and a t-shirt. I don't want leaving and I do not want anything constraining your growing tummy!"

"Yes 'ma' am" replied SALTWATER TAFFYTRON.

SALTWATER TAFFYTRON dutifully went upstairs and undressed. She got out a t-shirt out of her bag, pulled it on and came back down in just the t-shirt and panties.

"SALTWATER TAFFYTRON, I am in the kitchen, please come in here." Called Grandma

SALTWATER TAFFYTRON padded down the stairs, she was pulled to see Grandma covered in fals
